

ODIS

Offender Data Information System

Oklahoma State Bureau of Investigation

ODIS Quarterly Newsletter

December 2016

The testing of the new ODIS network is continuing to grow with eight new agencies that have agreed to become part of the network. They are the Choctaw Police Department, Woodward Police Department, Guthrie Police Department, Marietta Police Department, Payne County Sheriff's Office, Okmulgee County Sheriff's Office, McIntosh County Sheriff's Office, and the Oklahoma State Parks.

In the fall of 2014, the Oklahoma State Bureau of Investigation reached out to active ODIS users and formed an advisory board to help make ODIS a better program to serve the needs of the law enforcement community. Since that time the advisory board has met at least every quarter and often times more often than that. The makeup of the board is representative of our customers.

I have to commend the members of the board for their diligence, participation, and thoughtful insight. Each member has had a positive influence on the upgrade of our system. They and their agencies have devoted valuable resources to the project.

The professionalism and teamwork demonstrated by this board is commendable. Each suggestion was thoughtfully considered by the group and each issue was respectfully debated. The expertise and knowledge that is held by board members was critical to the end product.

On behalf of the OSBI, I would like to thank the following people for their hard work, dedication and professionalism. We look forward to their continued service to ensure that ODIS meets the needs of Oklahoma Law Enforcement: Dan Wiedemann, Choctaw Police Department; Kevin Woodward, Payne County Sheriff's Office;

Fred McGuire, Okmulgee County Sheriff's Office; Monica Smith, McIntosh County Sheriff's Office; Jeremy Thorne, Guthrie Police Department; and Shaun Barnett, City of Woodward.

Bryan Rizzi

If you would like more information on the meeting schedule contact Julie Kelly at julie.kelly@osbi.ok.gov or contact ODIS Support @ (405) 879-2988.

The next board meeting is scheduled for December 1, 2016.
