

Instructions:

Make sure the whole palm is inked including the inter-digital area and follow the arrow as indicated for the direction of the palm print. Press the hand starting from the start of the palm near the wrist all the way to the tip of the fingers as space on the form allows. Clean the left index finger, re-ink and press the finger on the space provided following the direction of the arrow in the box. Ink the writers palm area of the left hand and press the hand starting from the area near the wrist to the base of the little finger following direction of the arrow in the box. Enter SID# & AFIS# if available, signature and date printed are required. **Palm prints can only be submitted to OSBI when accompanied with a ten print card from the same individual.**

**OKLAHOMA STATE BUREAU OF INVESTIGATION
LEFT PALM PRINT FORM**

AFIS #	SIGNATURE OF OFFICIAL TAKING PRINTS	DATE PRINTED	SID#

LEFT INDEX

WRITERS PALM

AFIS transaction control number if an AFIS is used to generate the card

Signature or user code of the official

Pressure must be applied in this area while taking the prints

Date printed and signature are required and SID# is required on repeat offenders

Proper inking and light pressure while taking the prints will provide a clear print of the inter-digital area

Clear print of the thumb must be placed here to match with the TP card that is submitted along with this palm print

Instructions: See in the back of this form.
