BOARD OF TESTS FOR ALCOHOL AND DRUG INFLUENCE

INSTRUCTIONS FOR LAW ENFORCMENT OFFICER FOR USE OF BLOOD ALCOHOL/DRUG SPECIMEN COLLECTION KIT

- **STEP 1** If kit was not sealed when first opened, discard entire kit and obtain another kit. If kit has expired, kit should be discarded and another kit obtained (hospital can use appropriate substitute items, preferably gray stopper vials).
- **STEP 2** The officer should first fill out information requested on the **BLOOD TEST OFFICER'S AFFIDAVIT** form. It is provided with this kit and must be submitted with the kit.
- **STEP 3** The officer must witness blood withdrawal.
- **STEP 4** Open the styrofoam blood tube holder and allow a qualified blood collector to collect blood specimens from the arrestee.

INSTRUCTIONS FOR QUALIFIED BLOOD COLLECTOR

STEP 5 Using only the items provided in this kit or appropriate substituted items, withdraw blood specimens allowing all three (3) blood tubes to fill. To assure proper blood mixing with anti-coagulant/preservative powder, invert the tubes after collection. After collection, discard used needle, needle holder, and alcohol free prep pads.

STEP 6 The blood collector must sign the BLOOD TEST OFFICER'S AFFIDAVIT form.

- **STEP 7** The officer is to complete the information requested on the three (3) blood specimen tubes seals and one (1) internal kit seal. All specimen seals must be completed.
- **STEP 8** Using the three (3) blood specimen seals, wrap one (1) seal lengthwise over the top of each of the three (3) tubes.
- **STEP 9** Return the three (3) sealed tubes to the styrofoam holder. Ensure that the tubes are properly positioned to prevent breakage.
- **STEP 10** Close the styrofoam holder and seal with the internal kit seal. Overlap the seal on the top of the styrofoam holder so that the information completed on the seal is positioned on top of the styrofoam holder.
- **STEP 11** The officer is to complete the information requested on the label on the top of the styrofoam holder.
- **STEP 12** Place the sealed styrofoam holder in the re-sealable plastic bag, and close the end of the bag. <u>Do not</u> remove the liquid absorbing cotton pad from the re-sealable plastic bag.
- **STEP 13** Return sealed styrofoam holder to mailing container. <u>Do not seal the kit mailing box at this time.</u>
- **STEP 14** Affix enclosed biohazard label where indicated on top of the kit mailing box, then return the two remaining kit seals to mailer box; <u>do not use these at this time.</u>
- **STEP 15** Complete the remainder of the **BLOOD TEST OFFICER'S AFFIDAVIT** form and follow the directions at the bottom for distribution of form. Place the original in the mailing box. Close the mailing box and affix the two remaining seals on the mailing box and mail or deliver to the OSBI laboratory.

What Happens Next?

1. The arresting officer or agency is required to submit the Blood Test Officer's Affidavit to the State of Oklahoma.

2. Upon receipt and review of the Blood Test Officer's Affidavit and any associated test results, if applicable, the State of Oklahoma may revoke your Oklahoma driving privileges. If you hold a commercial driver license or were driving a commercial motor vehicle, the State of Oklahoma may disqualify your privilege to operate a commercial motor vehicle. You will continue to have driving privileges, if otherwise eligible, unless or until an Order of Revocation and/or Disqualification is issued by the State of Oklahoma.

3. The State of Oklahoma will send you the Order of Revocation and/or Disqualification to the address you have on file with Service Oklahoma. To confirm or change your address on file, contact Service Oklahoma.

4. The Revocation and/or Disqualification will be effective 55 days from the date of the Order, including 10 days allowed for mailing. 47 O.S. §§2-116, 753, 754.

5. The Order of Revocation and/or Disqualification will contain important information about your rights to appeal the revocation and/or disqualification of your driving privileges. To appeal the applicable Order of Revocation and/or Disqualification your petition must be filed with the District Court of the County in which you were arrested within 40 days of the date of the order, including 10 days allowed for mailing. 47 O.S. §§2-116, 6-211.

NOTICE OF RIGHT TO REQUEST INDEPENDENT TESTING

State law requires the retention of blood specimens. Your specimen will be retained for **sixty (60)** days from the date of collection. During this period, you may request to have your specimen submitted to an approved laboratory for an independent test at your expense. Contact the OSBI Forensic Science Center at 405-330-6724 to request that your specimen be forwarded to an approved laboratory.
